

# LEXUS CHARLESTON FASHION WEEK® THE EVENTS / 2021

## Event Announcement

To Our Fashion Community,

While the world is opening up and slowly coming back to a new normal, the safety of our guests, vendors, sponsors & participants remains our top priority, as well as ensuring any event meets Lexus Charleston Fashion Week's historical quality standards. After much thoughtful consideration, we have made the decision that it's best to not produce a live event for 2021.

We are excited to come back stronger in 2022 with an event that brings our community together, supports local designers & boutiques, and wows the audience. Be on the lookout for our 2022 date announcement coming soon!

In the interim, you can join us in supporting our local first responders with our Hometown Hero Campaign. For the second year, we are joining forces with title sponsor Hendrick Lexus Charleston to recognize those first responder heroes making a difference in the community and deserving of celebration. Online nominations are open through August 2.

We look forward to gathering again in 2022.

Be strong, be kind, and stay fashionable!

Thank you,

CFW The Events 2021 Team
